were urged to "Drive For a Safe Holiday" by following six driving tips this Christmas season. Lorin A. Smith, president of the Independent Garage Owners of California, Inc., a statewide association, is sponsoring a "Drive For A Safe Holiday" program in cooperation with the Auto Industries Highway Safety Committee. California car owners were offered these six tips for holiday and year-around driving: ALLOW ENOUGH TIME. Whether going downtown or on a trip, allow time to avoid feeling rushed. On long trips make frequent stops. Arrive relaxed. CHECKED. Drive with good tires and properly adjusted turn signals and windshield wipers functioning properly. USE SEAT BELTS. They help save lives, prevent injuries. Seconds will buckle a belt; a flick of the wrist will release it. Use them whenever and wherever you drive California motorists today or erid.

'ONE FOR THE ROAD'
 The Automobile Club of Southern California suggests that you take a sober attitude toward drinking and driving this Holiday Season. Remember that the driver having that "one for the road" may be legally sober, but his reactions are slower and he is more apt to have an accident than the man who chose not to imbibe. WHAT'S DOING
 R. S. Pyle, your Telephone Manager in Torrance

One of today's most familiar Christmas sights came into being for a very good reason. Many years ago, a child upset a candle on the Christmas tree of Ralph E. Morris, a telephone man in Boston, Mass. Fortunately, Morris was able to smother the flame and save the child from injury. But he decided right then that candles had to go.

Next day, he bought a handful of switchboard-type lamps. Then, working evenings at home, Morris soldered the little lights to a pair of wires. The result: the first electric lights for a Christmas tree—an idea that made holidays safer for everyone.

Pacific Telephone will again be a sponsor of the Tournament of Roses Parade over KTTV, Channel 11. Pre-Parade activities begin about 6 a.m. New Years Day. The parade at 8:45 a.m. Tune in.

Let's say you're talking on the telephone and you have to interrupt your call for a moment. Did you know that there's a built-in spot on your telephone that'll hold the receiver? Just place it across the back of your table-model phone (as shown at the right). If you have a wall phone, you'll find that the receiver can be hung on either side of the phone by hooking it over a built-in ridge at the top.

You can save steps while Christmas shopping—if you check the Yellow Pages before you leave home.

And now, all of us at Pacific Telephone want to wish you the best of this holiday season. We hope that the coming year will be a happy one for you in every way. We've enjoyed serving you during the past year. And to show our appreciation for the privilege, we'll be working even harder to bring you the best possible service throughout the new year.
